Why Recycle?

More than **157 million people** suffer from poor eyesight due to lack of access to eyeglasses.

Without Proper Eyewear:

- ♦ Children struggle to learn
- ♦ Adults face barriers to employment
- ♦ Entire communities miss out on opportunity and growth.

Recycling eyeglasses is a simple yet powerful way to transform lives.

Simple Act, Big Impact.

Donate new or used eyeglasses in any condition (even broken or missing pieces) and **help someone see, learn, and live better today.**

*Eyeglasses are cleaned, matched to recipients and delivered for **free** to those in need.*

How the Process Works

1. Local Lions Clubs collect donated glasses
2. Volunteers sort, clean, and read prescriptions
3. Glasses are tagged, bagged, and re-sorted by strength
4. Packaged and prepared for mission sites worldwide.
5. At mission sites Lions and professionals perform vision screenings and distribute glasses—**free of charge to those in need.**

Since 2013, 2-E2 Eyeglass Recycling Center has delivered thousands of pairs of glasses to missions in: Panama • Vietnam • Nigeria • Peru • Guatemala • Nepal • Belize, Uganda and more.

Spread the Word!

Let your **pastor or missions director** know: We provide single vision eyeglasses and sunglasses for medical missions.

We can provide reading glasses when no professionals are available.

Other Recyclables That Make a Difference

In addition to eyeglasses, we proudly collect and repurpose:

- ♦ Cell phones
- ♦ Laptops (Windows 11 ready)
- ♦ Digital hearing aids

These items, often overlooked, can be given a second life to help someone in need. Don't miss the chance to be part of something special — by working together,

WE CHANGE LIVES!
